Merit System

To promote and recognise our students' positive behaviour, an award system has been implemented. Awards will be periodically honoured to students who demonstrate these values. Students earn points for demonstrating positive behaviour.

This award system also supports the College's educational mission of creating responsible Muslim leaders and citizens of tomorrow. We strive to accomplish this by helping to develop students' ethical understandings based on Islamic values and teachings. We aim to nurture empathy and compassion in each of our students through the teachings of our *Quran* and *Sunnah* which are aligned with Australian values and equal opportunities.

Using a web based behaviour management system that allows all classroom teachers, SWB, and Level Coordinators to record and monitor students behaviour. This tool is useful as it allows parents to view their child's behaviour on a regular basis. This aims to improve the communication and relationship between parents, students and teachers.

Award System

- One week prior to the end of the term the SWB of each subgroup will determine the top 3 highest scores for each year level.
- The top 3 students will have their names published in the school newsletter and their names will be listed on the Merit Award Board. This will be displayed at the end of each term.
- The Top 3 students will receive a certificate for their achievement which is to be presented at each Sub School's Assembly.
- At the end of each year the overall top 3 Males and Top 3 Females from each year level will be awarded a certificate to be presented to them on Excellence Night. Their names will also be published in the schools newsletter.
