RE: BOOKLIST 2021 – ADVICE FOR PARENTS

We are pleased to announce that our 2021 Booklist is now available for download from our Schoolbox Parent Page.

Due to current COVID-19 restrictions and as additional College precautions, we are not printing any hard copies for distribution to parents. Nor will they be available as hard copies from the Administration Office, until further notice.

As a whole College approach, to support its 1-to-1 Device Policy, the College is advocating for students to buy digital texts and digital learning resources instead of hard copies whenever they are available from publishers.

Parents/Guardians please note the following important advice:

1. Parents of students in Foundation to Year 5:

There are no digital textbook or resources listed in the booklist. All texts are hard copies.

2. Parents of students in Years 6 to 10

- 2.1 You are only required to buy the '**Digital Only**' version of texts listed. The Print and Digital bundle offered is **OPTIONAL**. The **College does not require your child to have a hard copy of texts** because of our 1-to-1 Device Policy at these year levels. The '**Print & Digital**' bundle will cost parents more.
- 2.2 In cases where no digital version is offered, the hard copy text is listed. This is because no electronic version is available for this text or resource from the publisher.

3. Parents of VCE students undertaking Units 1&2 and 3&4

- 3.1 Only at these year levels, do we require students to purchase the '**Print & Digital**' bundle for **selected subjects** to facilitate effective preparation for VCE external examinations. For these subjects, only the '**Print & Digital**' option is listed.
- 3.2 If you see both the '**Print & Digital**' and '**Digital Only**' listed, then you are only required to buy the '**Digital Only**' version of the text/resource.

*“If you want to spend forever with your loved ones,
work together to help one another earn the pleasure of Allah and his mercy”*
